

Final Circular

June 28, 2012

Dear Colleagues,

This is the final announcement for the QGP Meet-2012, 5th one in this series to be held at VECC, Kolkata, India, from July 3-6, 2012. The Workshop will focus on recent experimental results from RHIC & LHC along with theoretical developments in the field of Quark Gluon Plasma (QGP) and its connection with the early Universe. Future prospects at FAIR and other facilities will be discussed. The Workshop will end after lunch on Friday, July 6.

Fest Colloquium:

A Fest Colloquium is being organized during the afternoon of 5th July to felicitate Dr. Dinesh K. Srivastava's 60 years.

Venue:

The Workshop venue is the Ajay Divatia Auditorium located in the administrative building of VECC.

Registration Desk:

The registration desk will be at the lounge in the front of the AJAYA DIVATIA auditorium. Participants getting support may please bring the support letter (the print of the e-mail) and produce at the registration desk to claim your support.

Scientific Program:

The tentative program for the workshop and Fest colloquium is on the web.

Instruction to the Speakers:

Please note that there will be no overhead projector. Only digital material, like ppt or pdf will be used. The allotted time in the agenda include discussions.

Proceedings:

We are pleased to inform you that the Proceedings of 'QGP Meet-2012' will be published by Narosa Publication. The publication details (and the author instructions) will be posted at a later time.

Financial Support and accommodation:

We have accommodated majority of the support requests. Participants receiving support have already been notified through e-mail. Few hotels and VECC guest house is booked for all the participants. The accommodation list with the addresses of the Guest Houses is available in the following link:

<http://indico.vecc.gov.in/indico/conferenceDisplay.py/getPic?picId=11&confId=15>

Most of the Guest Houses are close to VECC. Consult the “How to Reach” page to find out how to reach :
